

## PRESIDENT'S MESSAGE

Hello Tritons!

Cooler weather has finally come to Chicago but that doesn't mean the dive season is over. Not by a long shot. We have plenty of dives and activities planned from now until the end of year for you. What we do need, though, are volunteers to become a TIC for some of the upcoming events. If you have never been a TIC, don't worry. It is a painless and rewarding experience plus we have many experienced Tritons who can help you with the ins and outs of handling an event. So, now would be a good time to check out the Events Calendar to see where you can help and to pick out those activities you want to be a part of this year.

September is the last month of our fiscal year and it is the month where we vote on the new Events Calendar for 2013. So, please mark the September meeting on your calendar and be a part of the process of deciding what we do next year. If you have any suggestions for new events or even old events you would like to see again on the calendar, please contact Pam Romund and let her know your ideas. Remember, this is your club and you are the ones who make it great.

### BOARD OF DIRECTORS

President – Randy Skiba  
Vice-President – Mike Leibovtiz  
Secretary – Dave O'Malley  
Treasurer – Ed Littel  
First Director – Ron Levin  
Second Director – Tricia Shields

### COMMITTEE CHAIRS

Audit – Appointed in Fall  
By Laws & Rules – Gary Duszak  
Entertainment – Dave Vemmer  
Equipment & Safety – S. Leibovitz  
Events – Pam Romund  
Membership – Adolph Habich  
Merchandise – Brian Clarke  
Nominating – Appointed in Fall  
Publicity/Web Site – Adolph Habich / Milt Levenberg  
Director of Training – Rich Schak  
Editor of the Trib – Pam Romund  
Illinois Council Delegates – Chuck & Margo Miller

**DAN SPONSOR #29362**

I look forward to seeing you at the August Business meeting.

Good diving to all,  
Randy

## ENTERTAINMENT AUGUST MEETING

Tales of Great Lakes Shipwreck Pairs. Sometimes TWO shipwrecks make for ONE fascinating story, even though the vessels sank years or miles apart! Hear stories about the wrecks of the Steamship *Myron*, tow barge *Miztec*, the steel freighters *Manola*, *Regina* and *Charles S. Price* and many others. This 28 minute video is based upon the two-volume set of books called "The 100 Best Great Lakes Shipwrecks" by Cris Kohl & Joan Forsberg

Looking for a few TICs to complete the 2012 Calendar. Sign Up for the Event of Your Choice. Not done it before? Not a problem, we can walk you through the process. Look over the calendar and choose one – we can help you, it will be fun!!

A pioneering underwater explorer and film maker, Jill Heinerth has dived deeper into caves than any woman in history. Jill's accolades include induction to the inaugural class of the Women Diver's Hall of Fame, being named Canadian Technical Diver of the Year and being recognized as a Fellow of the National Speleological Society and Explorer's Club. Jill was recently awarded the National Association for Cave Diving Conservation award. In 2011 she received the Wyland Icon Award recognizing her passion for protecting the underwater world. Teaching people about their interconnectivity with the natural world, Jill's current project, titled "We Are Water" combines documentary filmmaking, live presentations and social media.

**WE ARE WATER PROJECT - A presentation by Jill Heinerth**

For the first time in history, fresh water has become a finite resource. Many experts agree that, without significant changes in water policy, wars of the 21st century may be fought, not over oil, but for control of clean water. We Are Water is an imaginative, entertaining, and enlightening documentary, illustrating the fragile relationship between our planet's endangered fresh water resources, and the ever increasing needs of our expanding population.

**Jill Heinerth**

Stop in to the Helix 8th floor Auditorium on Monday August 27th @ 6:00 for Jill's presentation.

A \$10 Donation is requested at the door

World renowned underwater photographer Jill Heinerth's current endeavour, WE ARE WATER PROJECT, is a documentary about the current world water crisis and need for conservation and smart water management. The project will also have out reach programs to schools and public forums. Jill will speak about the film before the video presentation.

Artists Michael Angelo Gagliardi and Sam Gillis will be raffling off some of their artwork at the event.

Come with "The Tritons" to a

## **NEW WRECK OFF OF SANIBEL ISLAND**

Florida divers have a new shipwreck to explore. The World War II ship the USS Mohawk was scuttled 28 miles off the coast of Sanibel Island on July 2. It is now an artificial reef for Florida divers and anglers and a veterans memorial. The county's Marine Services Program and Reefmakers LLC, a Key West company that specializes in sinking ships as artificial reefs, scuttled the 165-foot World War II Coast Guard cutter.

Just before 1 p.m., there was a loud explosion, debris flew off the ship and it slowly descended to the bottom of the Gulf. It took just three minutes to sink below the water line. Joe Weatherby and his team took two months in Fort Myers Beach preparing the rusted ship, removing hazardous oil and readying her for her final destination. "She's still got her propellers, she's still got her guns and her life raft back on board and you never ever, ever see artificial reefs going into the sea looking like this," Weatherby said. Six charges were placed on the USS Mohawk and detonated at different times, allowing thousands of gallons of water to rush into the ship at once so that it will sit right side up.

Sunday morning crews towed the ship to its final destination and anchored it in preparation for the sinking. The props were put back on, so from a diver's perspective, it's as if the boat did sink accidentally and it looks like it was operating when it went down," explained Jeff Miller, President of the Coastal Conservation Association. Recent reports from divers indicate that there are already as many as 5 goliath grouper calling this new wreck home.

# UNDERWATER PUMPKIN CARVING

## SATURDAY, OCTOBER 6, 2012

### HAIGH QUARRY, KANKAKEE, \*IL 10:30 AM START

Quarry entrance fee is \$20.00 per Diver, \$10.00 for Non-Divers  
(Please - No pets or non-diving children under the age of 12)

**The Triton Scuba Club along with the Illinois Council of Skin & Scuba Divers invite you to join them for a fun filled day of Diving, Picnicking, and Underwater Pumpkin Carving.**

Come enjoy a relaxing day at Haigh Quarry, *"The Caribbean of the Midwest."*

Let your imagination run wild - Try your hand at Underwater Pumpkin Carving!

**Prizes will be awarded** based on the number of votes received from attendees (Divers and Non-Divers may vote). After carving your pumpkin, simply place on the judging table. Judging will take place at 1:45 P.M.

**Pumpkins will be provided courtesy of Haigh Quarry** (or bring your own.) If you are going to picnic, bring a dish to share and your non-alcoholic beverage of choice, we will have plenty of water on hand. You will need to bring a complete set of dive equipment (rentals are available. Contact Haigh for reservations.) Also be sure to bring your certification card. [www.haighquarry.com](http://www.haighquarry.com)

### **RULES**

- 1) **PUMPKIN MUST BE CLEANED BEFORE ENTERING THE WATER.** Bring a spoon to scoop out the inside, and newspaper to set the pumpkin on while cleaning. You might want to bring a container or baggie to place your seeds in, so that you may take them home and bake them, or feed them to your backyard wildlife.
- 2) **ALL CARVING MUST BE DONE UNDERWATER.** Except for opening the top and cleaning out the inside.
- 3) **DIVERS MUST REMAIN IN BUDDY TEAMS.** Only one prize per pumpkin. Each member of the buddy team may want to carve his/her own.
- 4) **NO TIME LIMIT.** However carving must be completed during one dive.
- 5) **DESIGNS MAY BE DRAWN ON PUMPKIN PRIOR TO THE DIVE.** Bring a Sharpie
- 6) **PROPS OR ATTACHMENTS ARE ACCEPTABLE, BUT MUST BE ADDED UNDERWATER.**
- 7) **INTERFERING WITH ANOTHER BUDDY TEAMS PUMPKIN(S), WILL RESULT IN DISQUALIFICATION.**
- 8) **WEIGHTS MAY BE PLACED IN THE PUMPKIN TO HOLD IT DOWN.**
- 9) **DIVE KNIFE OR ANY OTHER TYPE OF CARVING TOOLS MAY BE USED.** Bring whatever you need.
- 10) **IF YOU PLAN TO ENTER THE CONTEST, YOU MUST HAVE YOUR PUMPKIN(S) ON THE JUDGING TABLE BY NO LATER THAN 1:30 P.M.**

**FINAL NOTE:** You must take your pumpkin(s) home with you! These are the rules . . . If you want to change them, we invite you to host the event next year. Then you can make up your own rules, and the rest of us will be happy to follow them! After the event, photos of all entries will be posted on the ICSSD website. **Organizer – Triton Scuba Club and ICSSD.**

If you plan to attend, please contact Pam Romund via e-mail and she will be happy to add your name to the list, we need to know how many will attend so we have enough food and water on hand. Contact: [promund@kraftfoods.com](mailto:promund@kraftfoods.com)

# **DIVE THE PRINS WILLEM!**

**Sunday, August 26th**

Hey Fellow Tritons. Are you getting tired of the record breaking heat and humidity? Looking to cool off without running up your electric bill? Why don't you plan on joining us **Sunday August 26th** for an afternoon **charter dive** on the **Len-der** out of **Milwaukee**? There are currently five seats left on this charter. The cost for Tritons will be \$85 while the cost for non-Tritons will be \$95.

Our initial plan is to make at least one dive on the **Prins Willem** (90 feet to the starboard rail, below the lake bed, in the mud). If folks are satisfied with just 1 dive on the *Willie*, the *Gillen Tug* and the *MFD Fireboat #23* lie close by, both with a max depth of 70 feet. If folks would prefer to motor a little farther away to the south, we could dive the *Norland Steamer* or the *#6 Dredge* (both no deeper than 70 feet).

Cost covers the charter fee. If you need tanks, they will cost extra and need to be arranged with Pirates Cove Dive Center. If you are interested, **contact Dave Vemmer** ([DavidVemmer@hotmail.com](mailto:DavidVemmer@hotmail.com)) or call 847.698.1727 after 7PM Sunday-Saturday. I'm looking forward to a great Sunday afternoon dive with you all! - Dave

PS- For some photos of some of our Dive Options, please check out the links to the galleries here for the Prins Willem, Gillen Tug, Fireboat, Norland and Dredge:

## **HOWARD – ETHERTON DAY**

**Dive & Picnic, Pearl Lake**

Sixteen Tritons and friends gathered at Pearl on Sunday, August 5 for the annual Howard/Etherton Day. The day was perfect, a wonderful breeze kept us cool and the water was a fantastic 83 degrees!!! Most dove with no hoods and just reef gloves, visibility was also quite good, not a lot of students on the east side. The water temperature did drop to 79 (about 22 feet), if you went to the next thermocline it dropped again (33 feet) and not many went below that to see how cool it could be.

Many arrived by 10:00/10:30 to get a dive in before lunch. We were joined by Wee Wen and Onur, two folks that Dave Vemmer sent our way. Wee Wen is from Malaysia and Onur is from Turkey. They were a fun couple and seemed to enjoy their dive in the Midwest. Onur is looking forward to getting out on the big lake. Also joining in on the fun was Joan, who took our course several years ago. She came on out to get a dive in before heading to the Sea of Cortez on the club trip. Pearl is an excellent venue to get the kinks out or test out that new piece of gear.

Lunchtime came and we enjoyed brats, hot dogs, watermelon, cucumber salad, coleslaw, chips, homemade salsa and more – no one left hungry. Thanks to Judi for bringing a great fruit salad, to Joan who brought a cooler full of chocolate pudding. Scott brought the OREO cookies and we had peanut butter, chocolate chip and brownie cookies to round out the dessert table.

This year all the games we had on hand – lawn darts, ladder ball and bags – were idle, many did two dives or just chatted with friends they hadn't seen in some time. It was an absolutely picture perfect day at the lake and we were lucky to have picnic space in the pavilion so if you wanted to be in the shade it wasn't an issue.

Thanks to all who came on out, this event is a reminder that summer is winding down, still a chance or two to get out and get wet – check out the calendar for all the opportunities that await.

## **TRITON TRIB DEADLINE – SEPTEMBER**

Due to the vacation plans of the editor, anyone wishing to have something published in the September Trib will need to have in my hands no later than **3:00PM on Tuesday, September 11**. Thanks!

We received this note from Jonathan Lavan. He presented to the Club last fall on the Sea ofCortez.

## **EXHIBITION**

Hello Everybody!

I am curating a photography show featuring my work and the other fine photographers and craftsmen listed below. I hope you will attend one of the receptions if you can and please spread the word by email, FB, twitter, linkedin, etc. However you can let people know we really would appreciate your support. I have also attached a copy of the press release. If you have any connections in the press please feel free to pass it on to them. I'll be baking some of my fabulous goodies for the receptions so don't miss it! If you live in the Chicago area or plan on being in town I hope to see you there...

## **DIVE MERMET SPRINGS**

**August 17, 18 AND 19**

Mermet Springs is an 8.5 spring feed quarry located deep in southern Illinois. We are planning a trip there later this summer, August 17 through 19. Sights to see are the spoonbill paddlefish, one of the largest freshwater fish in North America, they can reach 5 feet or more in length and can weigh more than 60 pounds. There is also a 727 Boeing Airliner and if you are very, very lucky, you might see a Freshwater Jellyfish. These translucent and whitish or greenish tinged, bell-shaped jellyfish, are small; about the size of a penny to quarter.

Some folks plan to camp, some plan to camp out at a local motel – we can accommodate your needs either way. Let us know if you are interested in heading down to dive Mermet to see the sights!

## **SEGWAY TOUR**

This was my first try at running an event and I think it went well, all had a good time and agreed riding was so much easier to do than we thought. Sure there were a couple of tumbles but all came through like champs. Our tour guide, Russell, and his daughter, Whitney, were very helpful and knowledgeable about the city and riding a Segway. Hint drive from your belly button. . .by changing your center of gravity you will make the machine go faster, slow down or even backward. We began at the north end of Grant Part (Dearborn Street) and went through the park, visited Millenium Park, Buckingham Fountain, the Museum Campus, Solider Field, Burnham Harbor, the Prairie Path through the old Meigs Field, 12<sup>th</sup> Street beach, the Planetarium before we headed on back. The tour took us 3 hours but it seemed to go by much quicker. We then adjourned to Giordano's and consumed copious amounts of pizza, iced tea and soda. All agreed we would do this one again, fun, no hassle way to see the sights along the lake.

Following a couple untimely deaths on the big lake due to being caught in a rip tide I am publishing this safety poster from NOAA. Please make sure anyone you know who might venture out in the lakes becomes familiar with this.

**IF CAUGHT IN A RIP CURRENT**

- ◆ Don't fight the current
- ◆ Swim out of the current, then to shore
- ◆ If you can't escape, float or tread water
- ◆ If you need help, call or wave for assistance

**SAFETY**

- ◆ Know how to swim
- ◆ Never swim alone
- ◆ If in doubt, don't go out

More information about rip currents can be found at the following web sites:

[www.ripcurrents.noaa.gov](http://www.ripcurrents.noaa.gov)  
[www.usla.org](http://www.usla.org)

# **ICSSD PRESIDENTS' NIGHT**

## **Saturday, October 27th**

The annual **Illinois Council of Skin and SCUBA Diving Presidents, Night**, will be held on **Saturday, October 27th at Moretti's Restaurant**, 1799 Busse Road, Mt. Prospect, IL. The restaurant is situated on Busse Road, south of Algonquin Road. Cocktails begin at 6:30 pm and Dinner 7:30 pm.

This is our Annual dinner dance and awards will be presented to the Club, Diver and Humanitarian of the Year. There is a fantastic raffle throughout the evening featuring trips, charters, gear & more! This is always a fun evening and a great way to get to know other divers and perhaps win a prize or two. The evening features the very best raffle around, you won't be disappointed.

We are pleased to announce two of the fantastic prizes for our annual Presidents' Night festivities. The Divi Flamingo has donated a 4 night stay with 3 days unlimited use of tanks for shore diving in beautiful Bonaire ([www.diviflamingo.com](http://www.diviflamingo.com)). And Blackbeard Cruises has donated a week's all inclusive live-aboard adventure on one of their sailing ships cruising from Fort Lauderdale to the out islands of the Bahamas. This includes all meals, snack, beer, wine and rum punch and up to 20 great dives during the week (<http://www.blackbeard-cruises.com/>).

Presidents' Night will be held on **Saturday, October 27** at Morretti's Restaurant in Mount Prospect. This is always a great, fun evening. Fantastic raffle throughout the night featuring trips, charters, gear & more! Mark the date on your calendars!

Contact Scott Reimer for tickets, if you purchase before September 1 you pay \$27.00 per person, \$30 per person after that date.

><{{{°> <°}}}>< ><{{{°> <°}}}><

Remember to bring your unwrapped **Toys for Tots** to the **Presidents' Night dinner Saturday, October 22**. They cannot accept stuffed animals, toy guns or knives. Sports equipments and board games are need for the tweens and

teenagers. If you are giving a gift that uses batteries please supply plenty along with the gift. These children are from underprivileged homes and money for batteries is not easy to come by.

The mission of U.S. Marines Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as holiday gifts to needy children in the community. The primary objective is to deliver a message of hope to needy youngsters and to unite all members of local communities in a common cause; and to contribute to better communities in the future.
