

## PRESIDENT'S MESSAGE

Dear Fellow Tritons,

We've finally gotten wet at the season opener, pool is open....

This month's meeting is the Annual Open House, please plan to attend. Also, this month; The Chicago Riverwalk Tour, Plaque Re-Dedication on the Willie, and maybe a Midweek Dive.

From what I've heard we have students for our Summer OW class, which is great!

Question of the month? What are the latest two Wisconsin shipwrecks to have been added to the National Register of Historic Places? First three people to send me the correct answer to [streimer1@comcast.net](mailto:streimer1@comcast.net) get a \$5 gift card to The Tap House.

Hope to see you at the next meeting on the 25th.

Scott Reimer, President

## CHICAGO ARCHITECTURE TOUR SATURDAY, JUNE 29 - 12:30 PM

Completed in fall 2016, the [Chicago Riverwalk](#) is a 1.25-mile promenade through the heart of Chicago. Locals and visitors flock to the area in the summer to enjoy bars, restaurants, boating, live music, public art and dramatic views. I originally wanted to do a tour of the Riverwalk but they are only offered on weekdays so instead we will do the Must See Chicago and we can take a walk on it ourselves..

Must-See Chicago is a fast-paced, 90-minute introductory tour to Chicago featuring some of its most famous buildings, including the Wrigley Building, Tribune Tower, the Art Institute of Chicago, Willis (Sears) Tower, the Chicago Theatre and more!

**1.5 Hours**

**\$26 public (includes CAC admission)**

**Free for CAC members**

**Chicago Architecture Center, 111 E. Wacker Dr. 12:30 PM Tour Begins**

Get a brief overview of more than a dozen buildings—as well as Chicago landmarks like [Millennium Park](#), the Loop and the Chicago River—on this whirlwind tour. To cover this ambitious route, we will explore the downtown area by hopping on and off the city's signature "[L](#)" [trains](#), which will provide you with a unique view of downtown. There are lots of photo opportunities along the way, so be sure to bring your camera!

# REPORT ON MEMORIAL DAY BIKE RIDE, WALK, AND EAT IN 2019

Margy and Milt Levenberg would like to thank the 31 optimists who came to the successful Memorial Day Sunday Bike Ride, Walk, and Eat, despite a ridiculously bad weather forecast for the day. The tables for eating lunch were set up in the garage, and the donuts were served in the garage since it was pretty obvious there might be rain. The rain held off until the bikers and walkers set out. All of the bikers and walkers reported that it was not that bad, but they must have been impervious to weather since there were tales of standing under trees and finding picnic shelters to wait out the downpour. There was seriously heavier rain for a while. All 10 bikers had a good ride at the Rollins Savanna Forest Preserve bike path which joined the Millenium Trail. The 12 walkers enjoyed the Independence Grove walking paths and the camaraderie.

After the bikers and walkers returned, the grass was still wet, so the tables were left in the garage, but the many Triton canopies on the patio kept people happy on the patio, as well. Almost finishing off three large main dishes and many appetizers, side dishes, and desserts, the Tritons did not lose their reputation of super-eaters! By 2 PM, the weather had turned beautiful, and last of the group didn't leave until after 7 PM. The feast was provided by all the Tritons, making the Eat portion of the event a highlight, as always. Everyone loved Pete Kennedy's brownies. Yum, yum.

We now have a new Host for the "[www.TheTritons.com](http://www.TheTritons.com)" website. Our old web site was a Hodgepodge from many contributors and was well... a mess. ## BONAIRE BOOSTS MARINE PARK FEES

Ken Kurtis, an Undercurrent contributor who runs the dive travel company Reef Seekers, shared this info with us: Bonaire's new Marine Park fees have kicked in . It's now \$45 annually, up from \$25, and they base it on a calendar year . (I think it's still unclear as to what will happen for anyone who's doing a week that starts in December and ends in January, since a new calendar year will have begun.) Also, whereas you used to generally pay the fee in cash, they now only take credit cards. (You pay at your resort upon arrival and get a small tag for your BC.)"
