

PRESIDENT'S MESSAGE

Hello fellow Tritons.

Well it is already August and the year just seems to be flying by. There is still time to get out and dive and in fact besides a recent boat dive I was able to get out with a few Tritons and both of our associate members for a mid-week dive out at 3 Oaks. What a fantastic day it was, while not on the calendar it shows that even a quick dip with a few friends can be so relaxing and fun. Speaking of these 2 associates, both Rose and Frank Cammarata are up for full membership vote at the next business meeting. I look forward to them coming into our club. They both bring years of diving experience and are not afraid of the cold water. I look forward to many more dives with them in the future.

Events are still going on! So if you are so inclined please sign up and come on out. We all miss seeing each other in person and the stories never get old. We have our last planned calendar dive on October 1st in Lake Geneva with Jim Hynan running the show, this is truly one of the easiest dives for any skill level get with him if you would like to join in the fun. The Fire boat tour is coming up with Pam and you can get in on that as well. Please do not think that you have to be at the meeting to sign up, look at the calendar and get a hold of the TIC.

Speaking of TIC's we need you to be one, if you see an interesting event and it does not have one assigned why not give it a try, there is more than enough folks here that will help you out. Pam has had the Calendar meeting and there will be a new Calendar of Events for next year presented at this month's meeting. I hope as many of you that can attend will be there.

I am going back to enjoying the weather while it lasts. It will soon be Fall and we all know what happens after that. Brrrr

Brian Clarke, President

NEW DATE: SUNDAY, SEPTEMBER 11, 3:00 PM

CRUISE THE SAME WATERWAYS WHERE THE *FRED A. BUSSE* ONCE FOUGHT FIRES AND PROVIDED EMERGENCY ASSISTANCE. OUR EXPERT DOCENTS GUIDE YOU FROM LAKE MICHIGAN, THROUGH THE CHICAGO LOCKS, THEN ONTO THE CHICAGO RIVER. WE'LL HIGHLIGHT ARCHITECTURE, HISTORY, AND SOME OF OUR BOAT'S HISTORY WITH THE FIRE DEPARTMENT. SOME WOULD SAY YOU'RE CRUISING ON A FLOATING MUSEUM, WITH PICTURES OF OUR BOAT IN ACTION, FIREFIGHTING ARTIFACTS, AND GIVING A GLIMPSE OF WHAT IS WAS LIKE TO BE A FIREFIGHTER STATIONED ON THE BOAT IN 1937

The Historical & Architectural Cruise typically runs 1.5 to 2 hours, depending on the schedule of the Chicago locks. This tour highlight Chicago's landscape and architecture from Lake Michigan and the Chicago River, showing how it has developed over time from stockyards to steakhouses, and bringing millions of tourists to a once desolated area which is now thriving.

The boat is docked near the Columbia Yacht Club and our tour is at 3:00 PM., so please arrive no later than 2:45. It is docked on the pier between Monroe and DuSable Harbors, just east of Millennium & Maggie Daley Parks, and about a mile south of Navy Pier - address of the harbor marina 111 N. Lakeshore Drive. Common Sunscreens Can Damage Marine Life (and You Too!)

Three years ago, Hawaii's legislature banned reef-harming sunscreens. While they may be effective UV blockers for humans, octinoxate and oxybenzone are toxic to fish and corals at high concentrations. It's even affecting zebrafish in countries as diverse as India, China, and Brazil, and corals as well. New research by Djordje Vuckovic and Bill Mitch, published in *The Scientist*, found that corals absorb oxybenzone and then convert it into harmful photo-toxins that can affect invertebrates and fish.

Consumer Reports recommends five effective sun-screens with no oxybenzone or octinoxate:

- La Roche-Posay Anthelios Melt-In Milk Lotion SPF 60 (\$37)
- Equate (Walmart) Ultra Lotion SPF 50 (\$5)
- Trader Joe's Spray SPF 50+ (\$6)
- Alba Botanica Hawaiian Coconut Clear Spray SPF 50 (\$9.50)
- Sun Bum Spray SPF 50 (\$16)

The best protection from harmful ultra-violet rays is to wear a long-sleeved shirt and brimmed hat. If you're diving, wear a dive skin or wetsuit and hood. Slip on a shirt and slap on a hat, but don't slop on the wrong sunscreen.
